

# Ebenezer Baptist Church

River Tce, Pengam, Blackwood NP12 3XB

Ebenezer Baptist Church was extended in 2008, with the financial support of the Welsh Assembly Government. The building is now fully accessible (DDA compliant) and has kitchen facilities, disabled toilets and a large hall that can be divided into two, all on one level.

It is the vision of the church members at Ebenezer that the building is a resource which will facilitate & promote engagement with the wider community, including minority, disadvantaged & marginalised groups within our society. The hall can be hired at very reasonable rates for the use of recognised groups whose work falls within these aims.

The church can also be used for conferences, having wi-fi internet access as well as a modern, fully integrated, audio-visual system.
