Meet the Romanian team

Paul and his team are photographed at the end of Paul's annual cycle marathon. Paul managed 35Km all very hard-won metres. Paul commented " it is all over for another year...and it will take me that long to recover ".

Paul's combined Romanian and World -wide sponsorship will raise £1570 for which he is very thankful as this will cover the costs of supplying our children all year with all their educational needs, including a winter coat and boots. (see over)

The AGM will be held on Tuesday November 21st at Ebenezer Baptist Church, Pengam at 7 PM.

Please come along and support this important **open** meeting when Everyone's Child Romania says goodbye to old committee members and welcomes new recruits.

Also Paul is on a home visit and can update us about his work.

Fundraising Winter Craft & Table Top Sale

Saturday 25th November between 10am and 2pm at Blackwood Central Methodist Church Hall. Free entrance to buyers. Refreshments available for a small charge. With a prime Blackwood location tables are available to traders for a small charity donation of £6.

Please contact Debbie Gilbert debraokdale@aol.com or Laura Jenkins jenkinslj3@gmail.com of how to book your space.

Light 4 Life

Please support this community project making perfumed candles for sale in Romania, Wales and on-line.

Help our "older girls" (late teens /early twenties) stay clear of the sex trafficking trade. These vulnerable young women can be tricked with false promises of a waitress job in Italy, Spain or the UK.

Light 4 Life can give these girls a reasonable income and a safe way of life!

You may think your light is small, but it can make a huge difference in other people's lives.

See Matthew 5:15

THE VALUE OF EDUCATION

This is the good side of all we do, told in the smile of a child as he receives his new school materials.

Andrei wearing new jacket & boots, and carrying a rucksack that could carry him, (his choice)...and I will let the other photos tell their own story.

Sibel's mum was HIV+ and passed away three years ago.

Her mum was denied an education but happily Paul and his team have been able to honour the promise they made and give Sibel the opportunity to go to school.

Sibel rarely misses a class and God willing she will be assured of a much brighter future .

The opportunity and importance of an education cannot be underestimated. The Tiru brothers Gheorge and Catalin, (not their real names) will walk the two miles to the bus stop come rain or shine where they catch the school bus to the next village. The boys will never complain about the walk even when the weather brings snow because they realise an education will offer them a better future, an escape from the poverty trap.
